JUNE 12-14

CELEBRATING 60 YEARS IN 2026!

Residents and visitors alike eagerly anticipate the arrival of Andersonville Midsommarfest, an annual celebration which transforms Clark Street into a haven of music, dance, and community spirit. Inspired by the Swedish Midsommar tradition, the festival takes place the second weekend in June, ushering in the summer season with a diverse array of festivities. Attendees can expect a dynamic lineup of live musical performances across multiple stages and a curated street fair featuring an eclectic mix of food vendors, artisans, not-for-profits, and local businesses.

The festival has become a hallmark event for the Andersonville community, showcasing the area's unique charm and fostering a sense of inclusivity and togetherness. Midsommarfest not only highlights the diversity of the LGBTQIA2+ community, but also serves as a platform for fostering connections, breaking down barriers, and celebrating love in all its forms.

Past sponsors include: Constellation Brands, Beatbox, Revolution Brewing, Tip Top, Shedd Aquarium, Endeavor Health, Vital Proteins, Liquid Death, and more!
