The Scope of Services for each Special Service Area (SSA) is broadly defined by the funded categories listed in the annual Budget Summary page. If during the contract year, an SSA Commission recommends funding a line item within a previously unfunded category, a budget amendment ordinance must be introduced and approved by City Council. This action is required in order to expand the Scope of Services.

REQUIRED DUTIES OF THE SERVICE PROVIDER:

The SSA webpage must contain the following information:

- Listing of Commission meetings for the year
- Meeting Notices and Agendas posted at least 48 hours prior to meetings
- Approved Meeting Minutes
- Current Service Provider Agreement
- Annual Audit (most-recent)

- SSA Map
- Description of Services and Programs

Reports: The Service Provider is required to complete and submit Quarterly Reports to the Department of Planning and Development (DPD) within 30 days of the end of each Quarter. These reports should be presented to and approved by the Commission prior to submission to DPD.

Annual Audit: The Service Provider is required to contract with an independent auditing firm to prepare audited financial statements of the preceding year, presented in the Government Model. The audit must be approved by the Commission and submitted to DPD on or before May 1st each year.

Administration: The Service Provider shall adhere to policies and procedures outlined in the SSA Program Guide and submission deadlines posted in the annual SSA Calendar document. The Service Provider is responsible for ensuring services and programs listed in the SSA's annual workplan and budget document are administered in a timely and accurate manner, including

subcontracts with vendors. Any changes to line items must be approved by the Commission, and may require additional City Council authorization.

Communication: It is important that the Service Provider facilitate communication among its board of directors, the SSA Commission, all affected aldermen, SSA stakeholders, DPD, and the general public. All Commission meetings are open to the public and governed by the guidelines of the Open Meetings Act. The Service Provider shall brief all affected aldermen of SSA activities and proposed budgets.

Recordkeeping: The Service Provider shall maintain accurate and complete records of SSA activities, and shall provide documents in a timely manner, as requested by DPD. These records are subject to Freedom of Information Act (FOIA) requests which must be directed to DPD.
